Dear Friend:

As we continue through 2020, we are all aware of the COVID 19 Pandemic and the uncertainties that it has presented to all of us. Not only has it created major health concerns, it has affected our jobs, our income, and daily way of life. While some individuals are able to work from home, others have lost their jobs. We understand the impact that this has placed on our local economy.

Throughout all of this, your local fire department continues to answer 911 calls, and serve and protect the residents of Hooversville Borough, and portions of Shade, Quemahoning and Paint Townships. Regardless of the COVID 19 Pandemic, our members continue to volunteer their time for emergency calls, training, and limited fund raising activities.

Because of all the restrictions related to the COVID 19 Pandemic, we have had to adjust how we manage our fund raising activities, along with cancelling our largest annual fund raising activity in October. We continue to have our "Monthly Sub and Pizza Sales" on the last Saturday of each month, along with random ticket drawings.

The only thing that the COVID 19 Pandemic has not affected is our annual operating expenses. Annually, the fire department spends \$15,000 for Vehicle and Liability Insurance, \$20,000 for vehicle maintenance and up-keep, along with properly equipping and protecting each of our volunteer firefighters with up-to-date PPE. Because of the Pandemic, we have yet to see Federal or State Relief to the Volunteer Fire Service.

Everyone is aware of the current economic situation that the COVID 19 Pandemic has created. Regardless, we will always be there to answer your Emergency Calls.

Please send your tax-deductible donation in the enclosed, self-addressed envelope. A check or money order is preferred. **PLEASE, DO NOT SEND CASH.**
